

3rd Annual Department of Defense Industry Day

SAVE THE DATE November 9, 2010

This “Industry Day” focuses on the shipbuilding industry along the Gulf Coast, providing your company with the opportunity to meet and network with many contacts. Even though the focus of this event is shipbuilding, there will be exhibitors from government agencies and prime contractors available. Not only will you have the opportunity to network with them, you will also have the chance to network with hundreds of other attendees.

We anticipate 30-40 government agency and prime exhibitors and 400+ attendees.

Event details are being finalized now. Completed details and registration information will be made available at www.mspsc.com. Once there select “Events” located on the left side, navigate the calendar to the appropriate date and event posting.
