About IDGA:

The **Institute for Defense & Government Advancement (IDGA)** is a non-partisan information based organization dedicated to the promotion of innovative ideas in public service and defense. We

bring together speaker panels comprised of military and government professionals while attracting delegates with decision-making power from military, government and defense industries.

In addition to our live events, IDGA also offers an online community dedicated to providing defense industry professionals with breaking news, business opportunities, introductions, podcasts, videos, webinars, articles, and presentations from key industry leaders. Members of our online community are able to extend their live event experience and interact with the defense industry by leveraging the opportunity to network, share ideas, best practices, and business solutions. Join our community today at www.idga.org.
