U.S. Army Corps of Engineers

Lead Mission Area Contracting Offices

- The following are the lead Contracting Offices for procurement of USACE ACI contracts:
 - ▶ Water (New England District)
 - ▶ Ice (Charleston District)
 - ▶ Temporary Emergency Power (Pittsburgh District)
 - ▶ Temporary Roofing (Omaha District)
 - ▶ Debris Clearance/Removal (New Orleans District)
 - ▶ Rapid Temporary Repair (Omaha District)
- These include Large and Small Business Contractors
 - ▶ We desire “regional contractors” to the maximum extent practical
 - ▶ Stafford Act provisions and FAR 26.202-1 allows post disaster declaration set aside for local contractors in the declared areas
 - ▶ However USACE Legal opinion is Stafford Act requirements cannot be used for ACI procurement set asides
- Post-Event executing District KOs use Stafford Act set asides to the maximum extent practical

U.S. Army Corps of Engineers Basic Proposal/Bidding Process

■ Pre-Event

- ▶ ACIs are on a 5 year cycle advertised by each respective lead KO. ACIs are set up with 1 base year + 4 option years. As on previous slide the following lead District KO advertises these ACIs:
 - National Water (New England District)
 - National Ice (Charleston District)
 - Temporary Emergency Power (Pittsburgh District)
 - Temporary Roofing (Omaha District)
 - Debris Clearance/Removal (New Orleans District)
 - Rapid Temporary Repair (Omaha District)

■ Post-Event

- ▶ Executing District contracts are advertised by that local KO through:
 - Fed BizOpps.gov is DoD's notice of work to be procured
 - Through regional SBA Offices
- ▶ Contractors interested in bidding/proposing must be registered on Central Contractor Registry (CCR) to receive award

U.S. Army Corps of Engineers Coming Bidding/Proposal Opportunities

- Pre-Event
