Your Small Business Resource

Every day, the U.S. Small Business Administration and its nationwide network of partners help millions of potential and current small business owners start, grow and succeed.

Resources and programs targeting small businesses provide an advantage necessary to help small businesses effectively compete in the marketplace and strengthen the overall U.S. economy.

SBA offers help in the following areas:

- Starting a Business
- Financing a Business
- Growing a Business
- Opportunities in Contracting
- Recovering From Disaster
- A Voice for Small Business in Government

Visit SBA online at www.sba.gov for 24/7 access to small business news, information and training for entrepreneurs.

All SBA programs and services are provided on a nondiscriminatory basis.

You are invited to attend this workshop to learn how to find and finance sales to foreign buyers. You will also receive information about specific programs available to assist veterans that want to export goods and services. The SBA Patriot Express Loan Guaranty Program and related programs and services will be discussed and explained.

General information will be provided on the following topics:

- Briefing on SBA programs and services
- Overview of veterans business development programs
- Financing options for exporters
- Overview of U. S. Commercial Service programs for exporters
